Introduction

St Augustine's College provides a broad range of sporting and recreational activities. This booklet provides information for those wishing to participate in the College Sport Program. This is your invitation to join the College community in sporting and recreational endeavours.

These activities provide for the personal growth of the students by developing individual skills, teamwork, leadership, friendship, understanding, decision-making and self-discipline in an atmosphere of fun and enjoyment. This in turn benefits curriculum performance and school behaviour and helps build a real sense of community.

The College is a-part of the Central Comets District in the Metropolitan West region for representative sport, competes in South East Colleges Association (SECA) in Secondary and against various Ipswich Catholic Primary Schools along with other competitions including the Confraternity Shield and QISSN. All of these opportunities are outlined in this booklet.

SPORT HOUSES

The College's Inter-House sporting tradition is an integral part of the sporting culture here at St Augustine's. This Inter-House tradition creates a strong sense of belonging and community within the whole College. St Augustine's College has four houses:

Josey (Navy)

Jagera (Gold)

Cascia (Maroon)

MacKillop (Teal)

Students are assigned a house team at the time of enrolment. Throughout the year students across all precincts have the opportunity to represent their house in sporting, academic and other competitions. Significant events through the year include Swimming Carnivals, Cross Country and Athletics Carnivals that involve the entire College community.

SPORTING AWARD SYSTEM

Students are encouraged to participate in sport at the College as a part of a holistic education and are recognised and awarded for their efforts through the Sporting Award System. This Sporting Award System is designed to recognise and award the commitment of students participating and competing in sport for St Augustine's College.

Students need to be up-to-date with their learning and where representation occurs during class time, students need to demonstrate the ability to implement a plan to catch up on missed learning.

Attendance

Student attendance rates including unexplained absences will be considered, particularly where the sporting event is scheduled within class time.

SELECTION CRITERIA

After meeting the eligibility criteria, the selection of teams is at the discretion of the team coach/manager. The team coach/manager may use other key stakeholders (teachers, support staff, development officers, officials, etc.) to help make team selections. Team selections made by the team coach/manager are final. St Augustine's College follows a series of guidelines to ensure the selection process is fair and transparent.

The criteria for selection includes:

Student Ability and Natural Athleticism

Students need to demonstrate an ability or natural athleticism in the sport that they are trialling for.

Attitude including Demonstrating the Principles of Fair Play

Students need to display a positive attitude and the principles of fair play in both victory and defeat.

Commitment and Reliability

Students need to commit to the team for which they trial for the duration of the season. This includes the attendance at any scheduled training sessions. Failure to commit fully to the team and regularly attend training sessions, even after selection in the team, may result in the student been left out of the team.

Previous Playing Experience

Previous playing experience of the student while representing the school, district/region and club will be considered when selecting teams.

Balance of the Team

Students must display an ability to work well with other students in the team. Student's specific positional skills as well as versatility to play alternative positions to best help the team perform as a whole are also considered.
