

People of faith and spirit who Think, Learn, Love, Serve and Value life at StAC

### Mission and Religious Education

1. Develop and strengthen the distinctive Augustinian charism and Catholic identity of St Augustine's;
2. Implement a high quality Religious Education Curriculum;
3. Further strengthen and develop opportunities for participation in the Religious Life of the College.
4. Build a culture of service; highlighted by actions stemming from the annual theme for the College (in 2015 ... Let your gifts shine for a better world);
5. Nurture our community around the qualities of friendship, mutual acceptance and respect, a willingness to listen, kindness and concern, a spirit of forgiveness where "no one is a stranger".

### Learning and Teaching

1. Enhance the adoption and implementation of our Vision for Learning and Teaching;
2. Fully implement the new Australian Curriculum;
3. Establish processes to gather evidence of the positive impact of teaching on each student's learning;
4. Establish visible evidence of progress in Literacy and Numeracy for each student;
5. Embed the top ten high impact Visible Learning strategies in our Learning and Teaching;
6. Strengthen enrichment opportunities for high achievers;
7. Harness the full capacity of the Trade Training Centre for hospitality training excellence while supporting the College goals of community and friendship;
8. Build a culture of engagement in sporting, fitness and outdoor activities that promote health, wellbeing and participation.

### Professional Practice and Collaborative Relationships

1. Continue to build the capacity of the College to provide future leaders, with particular focus on leadership, professional capabilities and collaborative relationships;
2. Strengthen partnerships with key groups in the community;
3. Develop strategies that build stronger student engagement in learning, student life and the religious life of the College;
4. Develop personal and social capability as a foundation for learning;
5. Continue to grow a culture of high expectations based on a Growth Mindset for each of our students;
6. Be known as the school of choice for local Catholic families based on a strong community, Gospel values and quality Learning and Teaching.

### Strategic Resourcing and Stewardship

1. Apply fiscally responsible controls to support learning by providing appropriate facilities, resources and learning programs;
2. Develop a whole College approach to the implementation of environmentally sustainable practices, which become embedded in all aspects of the operation of the College;
3. Implement a systematic facilities development and maintenance plan;
4. Develop an ICLT plan that is financially affordable, innovative, equitable and meets future challenges and directions;
5. Develop a communications and marketing plan that highlights our strong community, multiple learning pathways and the depth of opportunities for students.

We will...

*Be together in heart and mind*
