

ST AUGUSTINE'S COLLEGE STRATEGIC PLAN 2018 - 2022

STRONG CATHOLIC IDENTITY	EXCELLENT LEARNING AND TEACHING	BUILDING A SUSTAINABLE FUTURE
<p>1. Sustain and enrich our college as a Christ-centred community where people can grow closer to God through prayer, service and witness.</p>	<p>5. Teachers understand and adopt effective pedagogical practices to improve literacy, met the needs of learners and align with curriculum requirements.</p>	<p>11. Develop a StAC sustainable futures strategy reflective of church teaching (specifically Laudato Si) and informed by broader evidence.</p>
<p>2. Build and strengthen St Augustine's as a re-contextualised, dialogical catholic school through faith and spiritual formation shaped by our Augustinian Charism.</p>	<p>6. Teachers understand and adopt effective pedagogical practices to improve numeracy, met the needs of learners and align with curriculum requirements.</p>	<p>12. Apply fiscally responsible controls to support learning by providing appropriate facilities, resources and staffing.</p>
<p>3. Enhance teacher capacity to plan, teach, monitor and review the high quality teaching of religion and embed the Catholic perspective across the curriculum</p>	<p>7. Implement the changes associated with the new Queensland Certificate of Education system.</p>	<p>13. Build professional capacity with high expectations and commitment to continuous improvement and growth at individual, team and whole college level.</p>
<p>4. Improve the culture of student attendance and participation in Religious Life of the School events.</p>	<p>8. Provide opportunities for intervention and extension of students identified in GaTE program.</p>	<p>14. Build professional partnerships with families and wider community.</p>
 	<p>9. Develop a robust co-curricular program for students.</p> <p>10. Develop staff and student capacity to engage in a range of Digital Technologies for learning, innovation and managing digital disruption.</p>	 

Be together in heart and mind
