Introduction

St Augustine’s College provides a broad range of sporting and recreational activities. This booklet provides information for those wishing to participate in the College Sport Program. This is your invitation to join the College community in sporting and recreational endeavours.

These activities provide for the personal growth of the students by developing individual skills, teamwork, leadership, friendship, understanding, decision-making and self-discipline in an atmosphere of fun and enjoyment. This in turn benefits curriculum performance and school behaviour and helps build a real sense of community.

The College is a-part of the Central Comets District in the Metropolitan West region for representative sport, competes in South East Colleges Association (SECA) in Secondary and against various Ipswich Catholic Primary Schools along with other competitions including the Confraternity Shield and QISSN. All of these opportunities are outlined in this booklet.

Sporting Award System

Students are encouraged to participate in sport at the College as a part of a holistic education and are recognised and awarded for their efforts through the Sporting Award System. This Sporting Award System is designed to recognise and award the commitment of students participating and competing in sport for St Augustine’s College. Sporting Award progressions are categorised into three grade levels: Years 4, 5 & 6, Years 7, 8 & 9, Years 10, 11 & 12. This gives students three years to progress through to the sporting awards before entering a new grade level.

The flow chart below demonstrates how students can progress through to the sporting awards. All awards from Sports Bronze Award through to the most prestigious Sports Gold Award are presented on college assemblies.

Sporting Recognition is the first step in the Award System and is awarded to students when they represent the College at any sporting event. This includes but is not restricted to;

- SECA & CD Cross Country
- SECA & CD Swimming
- Met West Competitions and Trials
- SECA & CD Swimming
- SECA & CD Athletics
- SECA Gala Days

- St Augustine’s Representative of Major Sporting Teams
- Central Comets Competition and Trials

The Bronze Award is awarded to students when they receive four Sporting Recognition Awards or are selected to represent Metropolitan West School Sport. The Silver Award is awarded to students when they receive two Sports Bronze Awards or are selected to represent QLD School Sport.

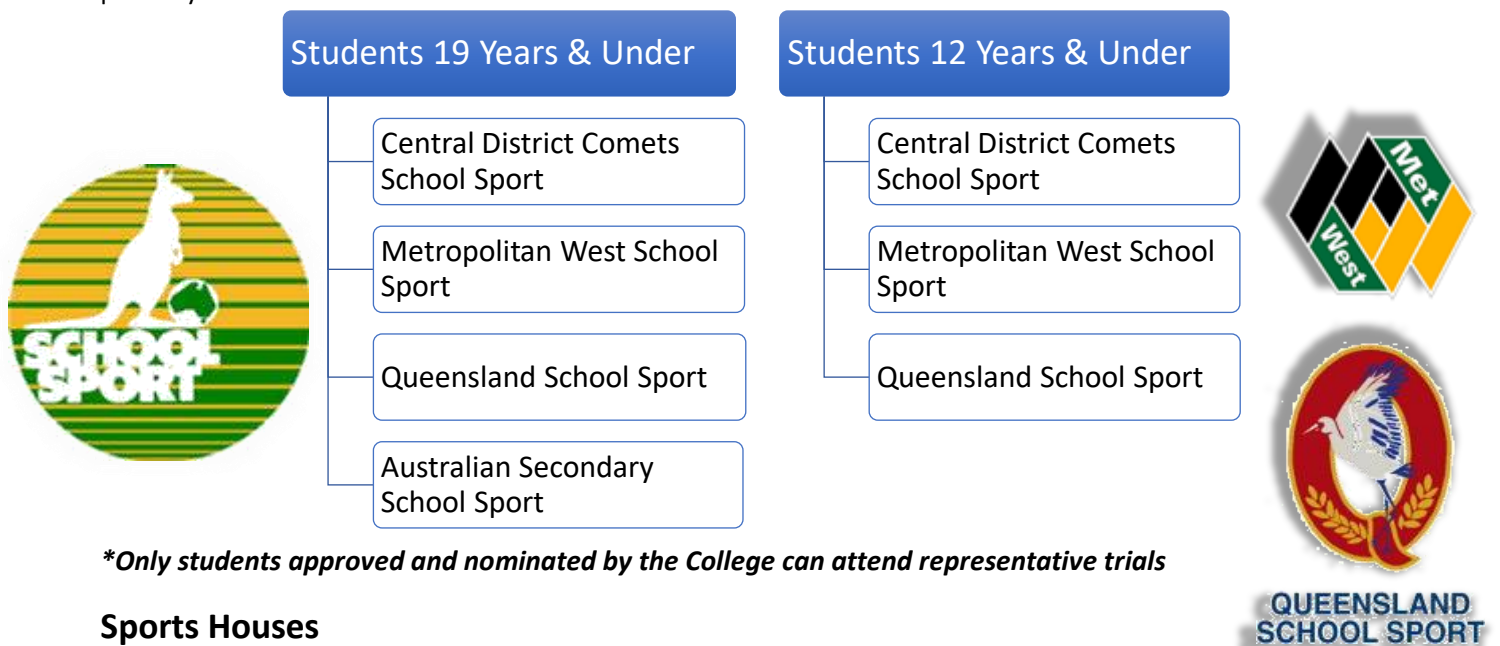

The highest award in the Sporting Award System is the Gold Award. This award is the most prestigious of the sporting awards and is awarded to students who receive two Silver Awards, or are selected to represent Australia in School Sport.

Sporting awards are given for representative sports that go through the Central Comets / Met West / Queensland School Sport pathway. A list can be found here:

<https://queenslandchoolsport.education.qld.gov.au/sports-information>

Representative Sport Pathway

Many sports conduct trials across Primary and Secondary schools within the Metropolitan West region as a pathway to State and National selection.

**Only students approved and nominated by the College can attend representative trials*

Sports Houses

The College’s Inter-House sporting tradition is an integral part of the sporting culture here at St Augustine’s. This Inter-House tradition creates a strong sense of belonging and community within the whole College. St Augustine’s College has four houses:

Cascia (Maroon) Jagera (Gold)

Josey (Navy)

MacKillop (Teal)

Students are assigned a house team at the time of enrolment. Throughout the year students across all precincts have the opportunity to represent their house in sporting, academic and other competitions. Significant events through the year include **Swimming, Cross Country** and **Athletics** Carnivals that involve the entire College community.

St Augustine's College Sport Selection Policy

Selection into St Augustine's College representative teams provides a privileged opportunity for our talented athletes to compete against similar skilled competition from South East Queensland and beyond. All students have the opportunity to trial for relevant school teams, however eligibility and selection criteria are used to determine team selections. Students who are selected in representative teams must read and sign a 'Player Behaviour Contract' document prior to competing in their chosen sport.

Eligibility Criteria

The following are pre-selection criteria used to determine student eligibility for representative team selections. Eligibility criteria will be determined by the Sports Leader in conjunction with the relevant members of College Leadership, Pastoral and Curriculum Leaders.

- **Behaviour:**
Students must exhibit behaviour that aligns with the 10 Positive Behaviours of the StAC Learning Community. The behaviour of students at school and on school activities, including sport and excursions, will be considered.
- **Learning Expectations:**
Students need to be up-to-date with their learning and where representation occurs during class time, students need to demonstrate the ability to implement a plan to catch up on missed learning.
- **Attendance:**
Student attendance rates including unexplained absences will be considered, particularly where the sporting event is scheduled within class time.

Selection Criteria

After meeting the eligibility criteria, the selection of teams is at the discretion of the team coach/manager. The team coach/manager may use other key stakeholders (teachers, support staff, development officers, officials, etc) to help make team selections. Team selections made by the team coach/manager are final. St Augustine's College follows a series of guidelines to ensure the selection process is fair and transparent. These are consistent with the 'Player Behaviour Contract' students will sign. The criteria for selection includes:

- **Student Ability and Prior Experience:**
Students need to demonstrate an ability or have prior experience in the sport that they are trialling for
- **Attitude including demonstrating the principles of fair play:**
Students need to display a positive attitude and the principles of fair play in both victory and defeat.
- **Commitment and Reliability:**
Students need to commit to the team for which they trial for the duration of the season. This includes the attendance at any scheduled training sessions. Failure to commit fully to the team and regularly attend training sessions, even after selection in the team, may result in the student being left out of the team.
- **Student Behaviour and Presentation:**
Student behaviour and presentation during extra-curricular activities and during normal school days must be aligned with the 'Player Behaviour Contract' and the College's 'Grooming and Presentation' and 'Behaviour' policies. Failure to consistently meet these policies may result in removal from a representative team.
- **Balance of the Team:**
Students must display an ability to work well with other students in the team. Student's specific positional skills as well as versatility to play alternative positions are also considered.
