

St Augustine's College
AUGUSTINE HEIGHTS

Be together in heart and mind

2024 Annual Improvement Plan

UNITAS - VERITAS - CARITAS

EXPLICIT IMPROVEMENT AGENDA

Strengthen student achievement in P-6 through applying agreed upon ways of working in the explicit teaching of English (Australian Curriculum).

Continue to strengthen our focus on Mathematics in Years 7-12 to enhance the confidence, engagement and achievement of each learner.

CATHOLIC IDENTITY

Extend opportunities for formation of staff through an Augustinian lens, developing individual understanding of Unitas, Veritas and Caritas.

ENRICHING OUR P-12 COLLEGE

Living the Augustinian Tradition, we will foster belonging across our P-12 college community. To accomplish this we will:

- Review the welcoming and orientation of Year 7 students and their families to the St Augustine's Community to strengthen current practices in recognition of the additional stream of students.
- Strengthen processes to enhance staff wellbeing and professional growth.
- Refine opportunities to engage parents/caregivers in their child's learning and in the life of the College.
- Empower student engagement in College Life through improved communication.
