Introduction

St Augustine's College provides a broad range of sporting and recreational activities. This booklet provides information for those wishing to participate in the College Sport Program. This is your invitation to join the College community in sporting and recreational endeavours.

These activities provide for the personal growth of the students by developing individual skills, teamwork, leadership, friendship, understanding, decision-making and self-discipline in an atmosphere of fun and enjoyment. This in turn benefits curriculum performance and school behaviour and helps build a real sense of community.

The College is a-part of the Central Comets District in the Metropolitan West region for representative sport, competes in South East Colleges Association (SECA) in Secondary and against various Ipswich Catholic Primary Schools along with other competitions including the Confraternity Shield and QISSN. All of these opportunities are outlined in this booklet.

Sporting Award System

Students are encouraged to participate in sport at the College as a part of a holistic education and are recognised and awarded for their efforts through the Sporting Award System. This Sporting Award System is designed to recognise and award the commitment of students participating and competing in sport for St Augustine's College. Sporting Award progressions are categorised into three grade levels: Years 4, 5 & 6, Years 7, 8 & 9, Years 10, 11 & 12. This gives students three years to progress through to the sporting awards before entering a new grade level.

The flow chart below demonstrates how students can progress through to the sporting awards. All awards from Sports Bronze Award through to the most prestigious Sports Gold Award are presented on college assemblies.

Sporting Recognition is the first step in the Award System and is awarded to students when they represent the College at any sporting event. This includes but is not restricted to;

- SECA & CD Cross Country
- SECA & CD Swimming
- Met West Competitions and Trials
- St Augustine's Major Sporting Teams
- SECA & CD Swimming
- SECA & CD Athletics
- SECA Gala Days

- Central Comets Representation

The Bronze Award is awarded to students when they receive four Sporting Recognition Awards or are selected to represent Metropolitan West School Sport. The Silver Award is awarded to students when they receive two Sports Bronze Awards or are selected to represent QLD School Sport.

The highest award in the Sporting Award System is the Gold Award. This award is the most prestigious of the sporting awards and is awarded to students who receive two Silver Awards, or are selected to represent Australia in School Sport.

Sporting awards are given for representative sports that go through the Central Comets / Met West / Queensland School Sport pathway. A list can be found here:

Representative Sport Pathway

Many sports conduct trials across Primary and Secondary schools within the Metropolitan West region as a pathway to State and National selection.

Sports Houses

The College's Inter-House sporting tradition is an integral part of the sporting culture here at St Augustine's. This Inter-House tradition creates a strong sense of belonging and community within the whole College. St Augustine's College has four houses:

Cascia (Maroon)

Jagera (Gold)

Josey (Navy)

MacKillop (Teal)

Students are assigned a house team at the time of enrolment. Throughout the year students across all precincts have the opportunity to represent their house in sporting, academic and other competitions. Significant events through the year include **Swimming**, **Cross Country** and **Athletics** Carnivals that involve the entire College community.

Athletics

Students have the opportunity to compete in multiple athletics meets throughout the school year. The College holds its Athletics Carnival during Term 2, from which students can then gain selection to represent the College at the SECA Athletics Carnival and the District Trails. Training for athletics events begins in Term 2. Our Primary age students will be looking to expand their Athletics experience with an Ipswich Catholic Schools meet being considered.

Competitions

	Term	Year Level
St Augustine's College Athletics Carnival	Term 2	3-12
Central District Athletics Carnival	Term 2	4-12
SECA Athletics Carnival	Term 3	7-12
Ipswich Catholic Cup Primary	Term 3	3-6

Uniform

Students are to wear Eagles Sport Singlet or Eagles Sport Shirt, Eagles Sport Shorts or Eagles Footy Shorts or Eagles Bike Pants (Girls only), during athletics events, unless otherwise specified by the coach. All these uniform items are available from the College's Uniform Shop.

Strength & Conditioning Program

St Augustine's College offers high class gym facilities to all enrolled students in Year 7-12. The gym is open Monday mornings from 7:20am – 8:20am for students who wish to improve on their strength and conditioning. Additionally, on a range of mornings the gym will also be open to support the strength and conditioning training for St Augustine's Pillar sporting programs.

All students must first go through an induction and submit permission paperwork before they can use the gym facilities.

Purpose of the Program

The program aims to provide your child with the opportunity to:

- Develop their skills in an inclusive, supportive and stimulating environment
- Be involved in a structured personal development program that instils lifelong skills that encompass healthy and active lifestyles
- Learn how to correctly train with safe, age appropriate and supervised exercise prescription
- Reduce gaps in their physical literacy and movement skills and improve on muscular imbalances to reduce the risk of injury
- Be exposed to a variety of different training, including strength, speed and power development, conditioning, flexibility and injury prevention programs
- Skills to develop physical fitness for life
- Support St Augustine's College student's strength and conditioning goals

This program operates all year round before school. For more information on the Strength & Conditioning Program please contact Mr Michael Miller (Michael.miller@bne.catholic.edu.au)

St Augustine's College Sporting Code of Conduct

The following code of conduct highlights the level of expected behaviour of students, parents and spectators when participating in or attending sporting events at or for St Augustine's College. Any students found in breach of the 'Sporting Code of Conduct' or any school rules, will be referred to the College behavioural support processes. Consequences for spectators not honouring this code of conduct may include staff or event officials warning offenders about their conduct, asking offenders to leave venues, banning offenders from future events, and calling police to intervene where necessary.

Please ensure that you have read and understand this code of conduct prior to participating in or attending any sporting events that the College organises or are a part of. Further information is available by contacting St Augustine's College on (07) 3814 8300.

Please be aware that ignorance of the contents of this Code will not be accepted as an excuse for any breach.

EXPECTATIONS OF STUDENT PARTICIPANTS

- Take responsibility for your own behaviour and performance.
- Compete by the competition conditions and rules.
- Never argue with the Judge's, Referee's or Umpire's decisions
- Always demonstrate the Principles of Fair Play
- Control your temper, no criticism by word or gesture.
- Work equally hard for yourself and your team; your team's performance will benefit and so will your own.
- Be a good sport. Encourage and support your own team members.
- Show respect for yourself, your teammates, officials, your opponents and their skills.
 - Behave in a manner that respects the rights of others.
- Wear the official college/team uniform at all times, as directed by college staff or officials.
- Stay in the designated team area and support other team members during times when you are not competing.
- Follow all directions of college staff and officials.

EXPECTATIONS OF PARENTS AND SPECTATORS'

- Cooperate with the college to achieve the best outcomes for your child.
- Support team and event officials in maintaining a safe and respectful learning environment for all students.
- Maintain positive relationships with college staff and team officials regarding your child's learning, wellbeing and behaviour.
- Encourage participation by your children.
- Provide a model of good sportsmanship for your child to copy.
- Be courteous and constructive in your communication with players, college staff, team officials, game officials and sport administrators.
- Encourage honest effort, skilled performance and team loyalty.
- Make any new parents feel welcome on all occasions.
- Do not interfere with the conduct of any events.
- Support School Sport Australia's policy of a smoke and alcohol free environment

St Augustine's College Sport Selection Policy

Selection into St Augustine's College representative teams provides a privileged opportunity for our talented athletes to compete against similar skilled competition from South East Queensland and beyond. All students have the opportunity to trial for relevant school teams, however eligibility and selection criteria are used to determine team selections. Students who are selected in representative teams must read and sign a 'Player Behaviour Contract' document prior to competing in their chosen sport.

Eligibility Criteria

The following are pre-selection criteria used to determine student eligibility for representative team selections. Eligibility criteria will be determined by the Sports Leader in conjunction with the relevant members of College Leadership, Pastoral and Curriculum Leaders.

- **Behaviour:**
Students must exhibit behaviour that aligns with the key values of Unitas, Caritas and Veritas of the StAC Learning Community. The behaviour of students at school and on school activities, including sport and excursions, will be considered.
- **Learning Expectations:**
Students need to be up-to-date with their learning and where representation occurs during class time, students need to demonstrate the ability to implement a plan to catch up on missed learning.
- **Attendance:**
Student attendance rates including unexplained absences will be considered, particularly where the sporting event is scheduled within class time.

Selection Criteria

After meeting the eligibility criteria, the selection of teams is at the discretion of the team coach/manager. The team coach/manager may use other key stakeholders (teachers, support staff, development officers, officials, etc) to help make team selections. Team selections made by the team coach/manager are final. St Augustine's College follows a series of guidelines to ensure the selection process is fair and transparent. These are consistent with the 'Player Behaviour Contract' students will sign. The criteria for selection includes:

- **Student Ability and Prior Experience:**
Students need to demonstrate an ability or have prior experience in the sport that they are trialling for
- **Attitude including demonstrating the principles of fair play:**
Students need to display a positive attitude and the principles of fair play in both victory and defeat.
- **Commitment and Reliability:**
Students need to commit to the team for which they trial for the duration of the season. This includes the attendance at any scheduled training sessions. Failure to commit fully to the team and regularly attend training sessions, even after selection in the team, may result in the student been left out of the team.
- **Student Behaviour and Presentation:**
Student behaviour and presentation during extra-curricular activities and during normal school days must be aligned with the 'Player Behaviour Contract' and the College's 'Grooming and Presentation' and 'Behaviour' policies. Failure to consistently meet these policies may result in removal from a representative team.
- **Balance of the Team:**
Students must display an ability to work well with other students in the team. Student's specific positional skills as well as versatility to play alternative positions are also considered.
