SPORTS UNIFORM SHOES

- The purpose of wearing sports shoes is to ensure the safe participation in a range of active sports. The key considerations in establishing sports shoe requirements include: purpose designed shoes, protection of feet on hard surfaces, appropriate arch support for active activity, sole with a reasonable thickness, minimising “fashion” as a consideration.
- Sports shoes for use at St Augustine’s should be specifically designed for a variety of running activities and sports.
- The sports shoes must be lace up.
- Students wearing inappropriate sports shoes will not be able to participate in sporting or Health and Physical Education activities. Flat sole canvas shoes such as Volleys, Converse, Vans, Skate shoes, and fashion shoes (even if they are made by a sports shoe company) are unacceptable for sporting activity, as is open back footwear.
- Coloured shoes are acceptable providing that they meet the conditions outlined above.

HATS

- Hats are an integral part of the school uniform, due to their role in ensuring sun safety. Students are to have hats with them on every school day, regardless of season.
- Students must wear the correct precinct regulation hat for all breaks and outside activities this includes travelling to and from school and between classes.

MULT-PURPOSE

- The regulation multi-purpose sport shirt and singlet are not to be worn as part of the school uniform unless advised to do so.
- The regulation multi-purpose bike pant and crop top may only be worn on days that the students are advised to do so in relation to sporting events, however, they may be worn under the regulation uniform.
- Any StAC football jersey, shorts and socks are not to be worn as part of the school uniform.
- The StAC Netball dress is not to be worn as part of the school uniform.
- The StAC Neoprene Visor is not to be worn as part of the school uniform unless advised otherwise. The visor is to be worn during sporting events e.g. netball games, touch football games etc.

BLAZERS

- The College has a supply of professional blazers that students may borrow for particular occasions e.g. introducing or presenting at formal events, or representing the College at outside events.
- All borrowing is short term. We expect that blazers will be well looked after, returned promptly, and the family will pay for dry cleaning if there was a mishap.
- All borrowing of blazers is coordinated through the Assistant Principal Student Well-being.

BAGS

- All students must have a St Augustine’s College bag.
- Two different size school bags are available to accommodate all precincts
