STRONG CATHOLIC IDENTITY	EXCELLENT LEARNING AND TEACHING	BUILDING A SUSTAINABLE FUTURE
Sustain and enrich our college as a Christ-centred community where people can grow closer to God through prayer, service and witness.	5. Teachers understand and adopt effective pedagogical practices to improve literacy, met the needs of learners and align with curriculum requirements.	11. Develop a StAC sustainable futures strategy reflective of church teaching (specifically Laudato Si) and informed by broader evidence.
2. Build and strengthen St Augustine's as a re-contextualised, dialogical catholic school through faith and spiritual formation shaped by our Augustinian Charism.	6. Teachers understand and adopt effective pedagogical practices to improve numeracy, met the needs of learners and align with curriculum requirements.	12. Apply fiscally responsible controls to support learning by providing appropriate facilities, resources and staffing.
3. Enhance teacher capacity to plan, teach, monitor and review the high quality teaching of religion and embed the Catholic perspective across the curriculum	7. Implement the changes associated with the new Queensland Certificate of Education system.	13. Build professional capacity with high expectations and commitment to continuous improvement and growth at individual, team and whole college level.
4. Improve the culture of student attendance and participation in Religious Life of the School events.	Provide opportunities for intervention and extension of students identified in GaTE program.	14. Build professional partnerships with families and wider community.
